Sir:

Please find attached a proposed Certificate of Correction.

Please correct the following errors appearing in the printed patent which are apparently the fault of the U.S. Patent and Trademark Office, as per the attached Certificate of Correction. Since the errors are the fault of the USPTO, no fee is due.

At column 14, line 36 (claim 7, line 1) of the printed patent, "The support structure of a control board set forth in" should be ---The support structure of a control board as set forth in---. This appears correctly in the Amendment under 37 C.F.R. 1.112 filed on January 9, 2006 and considered by the Examiner on March 22, 2006.

Therefore, it is respectfully requested that a Certificate of Correction issue in the above-identified patent as follows:

At column 14, line 36 (claim 7, line 1) of the printed patent, change "The support structure of a control board set forth in" to ---The support structure of a control board as set forth in---.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed number.

Respectfully submitted,
Motoyasu Nakamura
